I am Canton High School, the home of all these cherished memories, about which you will soon read.

It is within my walls that dreams were made, plans developed, and activities carried out.

For the seniors, I too, will soon be only a memory, but may they always remember their four "wonderful" years spent here.

It is my sincere wish, that as they look back on me, several years from now, they will be proud to say, "I remember when I went to Canton High . . ."

Dedication

MISS JULIA CONKLIN

Parley-vous Francais? Ouil Ouil Mademoiselle, Monsieur, Madamel Yes, she speaks French and with an accent so truly Parisian it can scarcely be distinguished from the real thing. Fortunate, indeed, are the students who learn this language in Miss Conklin's classes for they will speak a French so pure that college teachers marvel when they hear it. But French is not all they will learn from her for she is more than a teacher. She is a cultured, refined gentlewoman whose well-bred air can not fail to mark impressionable youth. She is even more than that. She is a true Christian whose warm sympathy embraces all humanity, whose charities are wide and varied, whose love of family, friends, church and country are deep and sincere. Indeed, it would be a much happier world if there were more Miss Conklins 'round about here and there. Lucky is C.H.S. to have her. Bonne chance, Mademoiselle Conquelin!

Hands . . .

Hands—one of the major differences between man and animals. What would the world be like were there no hands? There are hands that toil, hands that soothe, hands that create music, hands that fashion gigantic machines and tiny gadgets, hands that are beautiful, hands that are gnarled, hands, hands, hands, wherever you turn there are hands. But the hands pictured in this book are the hands of youth, strong, masculine, hands ready to serve home, school, community, country. Yes, these are the hands of Youth.

Senior Class Officers

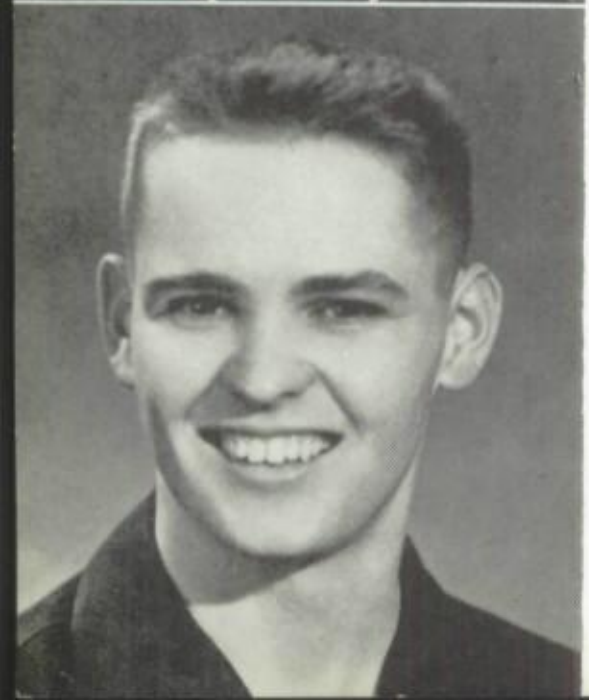

MARTHA COULTAS, who is our president, is vivacious, with a cheering personality and a never-ending supply of ideas. She is a wonderful leader, and is successful in everything that she attempts. "Mart", as she is known, is an "all round girl", admired by everyone.

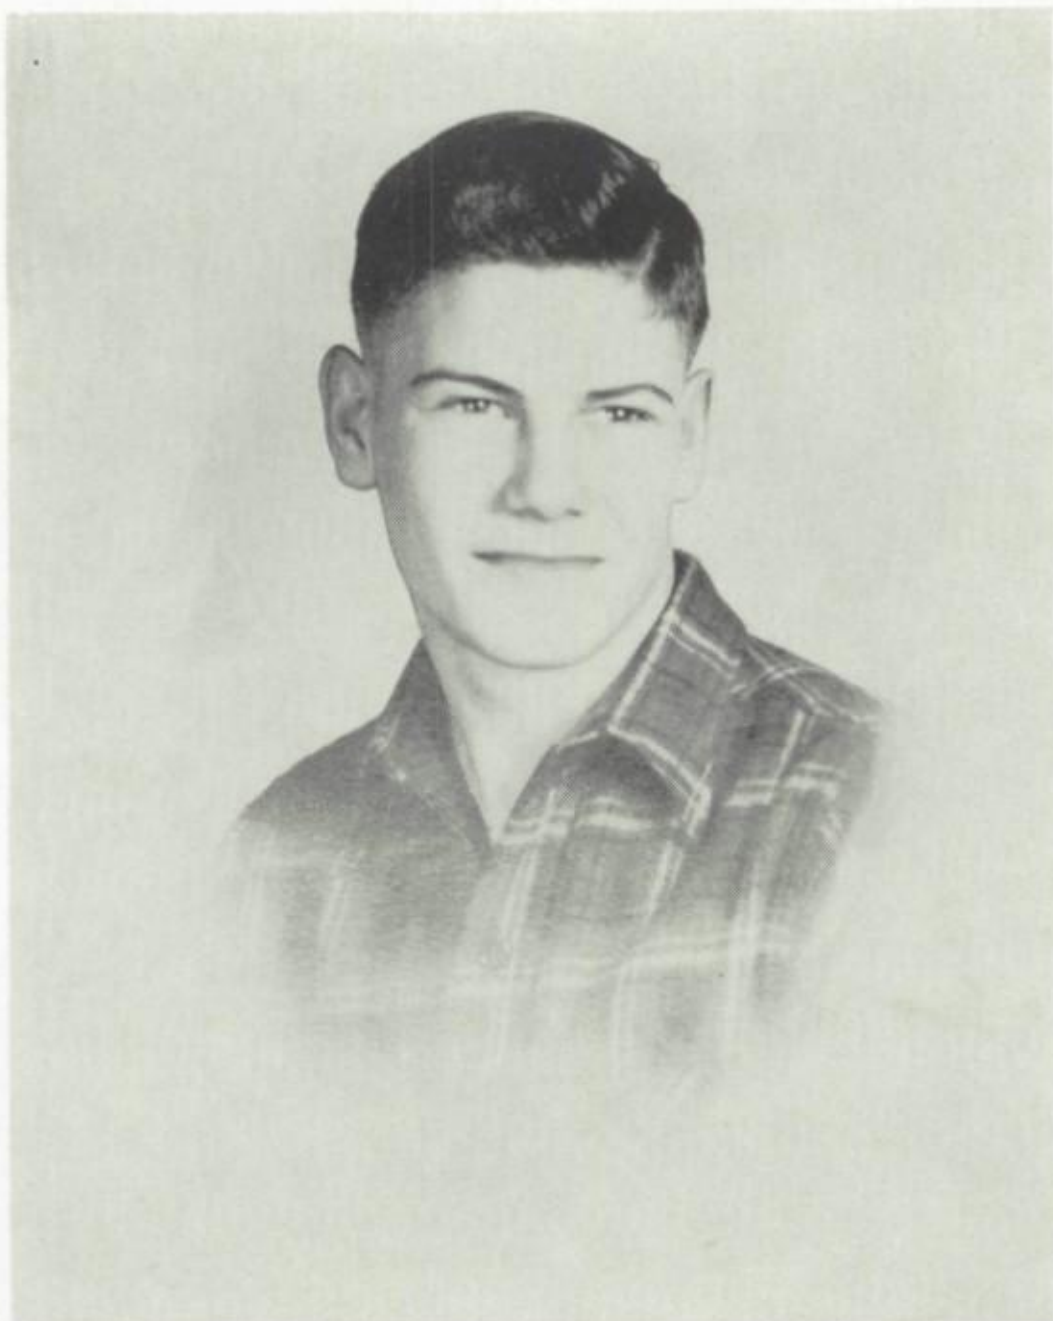

RON DAVIS, our Senior Class Secretary, is that "peppy" member of our class known to his friends as "Ronnie Paul." He is an outstanding student as well as an outstanding individual and he is liked and admired by all who know him.

NANCY JACKSON, our Senior Vice-President, is a charming girl who has contributed endlessly to the success of all class functions. Her neatness and intelligence are only two of her many qualities that have made her the success she is and will continue to be.

JOHN ELLISON, our Senior Class Treasurer, is that "all around" member of which every class is very proud. He is an outstanding sportsman and has been one of the "mainstays" on our baseball and basketball teams during his four years at Canton High, and we are sure he will succeed in whatever he undertakes after graduation.

To Jack . . .

JACK WINTER—the name conjures up in your mind a stocky, athletic figure, a face with square cheek bones in which his eyes were deep-set, mischievous or flashed with fire. The head was topped by a mop of brown, wavy hair, partly crewed. Truly a good looking lad was Jack, sturdy and tough as hickory in body. But what you remember him for most is not his appearance, but for the courageous soul of him. Courageous on the football field and in the ring, he was equally courageous when disaster struck. Through two long years he fought a losing fight, but never once was he defeated. When others would have fallen, he went unflinching on his way to the very end. It is for this indomitable courage that we who knew him will remember Jack and from him take a lesson when the going gets rough. It can be aptly said of him—he "hit the line hard"; he "didn't foul"; he "didn't shirk, but hit the line hard."

"Handy Man"

Laughing crowds, feeling satisfied that they had been given their money's worth, were seen leaving Canton High on the nights of November 15 and 16. The reason—they had seen the Senior Class Play.

A three-act comedy entitled "Handy Man" was given under the able direction of Mr. and Mrs. Charles Walker.

This play was the story of the Miller family, and took place in the small university town of Riverview. One could not help but laugh, seeing all the problems that arose after Mitzi convinced her parents that it was their "plain duty" to provide a room for a homeless college boy, who later became known as "Handy." It was also quite amusing to see "Handy" presented with a wife and baby "without his permission." However, everything was finally straightened out for the "Handy Man" and the audience had had an evening of good, laughable entertainment.

The play was termed "one of the most successful ever given at C.H.S." Capacity crowds filled the assembly both nights and seemed well pleased with the performances.

Members of the cast were:

Madeline Nibbelin	Mitzi
Gene Kingery	Ben
Martha Coultas	Kathie
Wilma Spainhour	Harriet Miller
David Vandermeer	Fred Miller
Phyllis McClure	Mrs. Cooney
Janie Aten	Ducky Tipton

Memories

I walked down past the school
tonight
As I was coming home,
And when I saw that darkened
building
My thoughts began to roam.

Now I'm not usually sentimental,
Nor one to sigh and then look back
But, tonight it just seemed natural
To reminisce—at that!

I recalled entering Canton High
School
As the class of '52.
We were thrilled by all the clubs
to join,
And our first Homecoming, too.

Then as sophomores we felt older
And knew what should be done,
We had our first class party
And our dance was also fun.

The next year came the Hop and
Prom,
Memories we still hold dear.
And finally we got our class rings
As the highlight of the year.

And then we were the seniors
With a yearbook to get out,
And we'll recall the "Senior Picnic"
As a lot of fun, no doubt.

But—remembering we're the sen-
iors,
And are forced to say "good-bye,"
We know for sure we'll never for-
get
Our days at Canton High!

Our School Board

Under the leadership of Mr. Oral Strode, the School Board has had a very successful year. It is this group of men who are constantly working to make our school function properly.

The chief project of the Board during the past year has been the planning of our new school. Even though we will not be here to enjoy this new building we are sure it will be something of which all Canton will be proud.

We feel that this is an excellent opportunity to say, "Good luck, School Board, in your future endeavors."

The Voice of Sports

I am the VOICE OF SPORTS. My object is enjoyment, but my standards are high. I symbolize hard-work, practice and skill. I demand determination, loyalty, co-operation, and good sportsmanship. I am, to some, the most important teacher a student meets. I build men—hard workers, good citizens, and leaders. I also build school spirit and loyalty among the student body. My rules are stern, but they are just for I play fair with all who play fair with me.

For the highest scores and the most victories there are many trophies, symbols of skill and accomplishment. However, the most valuable trophy I can give is not a visible one. There are many accomplishments more important than beating an opponent. Knowledge that you played well and fairly; assurance, never boastfulness, that you did well; the fact that you are a good sportsman; the esteem of your fellow players—these are the highest honors I can give any person.

Yes, I require sportsmanship and co-operation, but not necessarily victory. Victory is not my goal; instead I strive to build good citizens and worthy leaders. That is why I have become the influential center of high-school life.

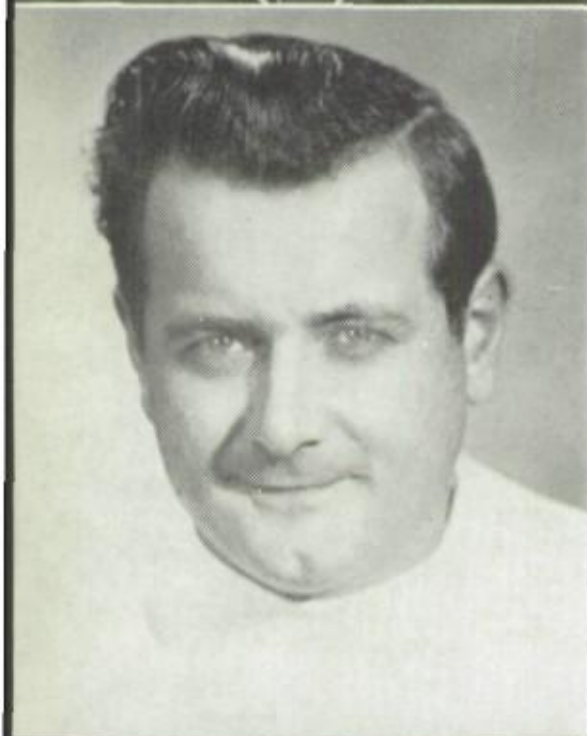

FRANK WHITMAN

Our new athletic director, is noted for his exceptional playing as well as his coaching ability. Because of his perseverance and outstanding ability he has coached the team through a successful season. Here's to our future teams! Everyone is behind you!

JACK ALLEN

Coming to C.H.S. highly recommended, he has laid a solid foundation for future athletic accomplishments. Although having been at C.H.S. for only a short while, he has won the respect and admiration of everyone. Best of luck in the years to come, Jack!

GLEN HARJES

Thanks to Mr. Harjes, C.H.S. has had a new sport introduced into its curriculum, wrestling. Besides working hard to promote wrestling, he has proved himself to be an exceedingly capable football assistant. Keep up the good work!

MR. METZGER

Besides being an excellent teacher, Mr. Metzger has undertaken the difficult task of coaching intramural sports. His ability and perseverance speak for themselves in the fact that over two hundred boys are out for intramural sports.

Basketball ... 1951-1952

At the time of this writing Canton fans are still somewhat downcast due to the fact that Canton missed going out to the sectional tournament by one point. Since our conquerors went on through the sectional to State we feel that, had we overcome that two-point deficit in the first place, it could have very easily been us instead of Peoria Manual. It might add to our prestige to note that every other team in that sectional had previously been very thoroughly trampled by the Little Giants. But, excuses are only excuses, so we can only look forward to next year and hope. It might be safe to forecast that if next year's team takes up where it left off this year and continues to improve as it did this year, Canton will have a State winner in 1953.

Much, much credit is due our new Coach Whitman who spent hours and hours working the team as a whole and individually on fundamental details that really paid off in the long run. He had some of those boys doing things no other coach would have even thought of. At any rate, it is easy to see that Canton High has many years of top-notch basketball ahead.

To mention something about a few games, Canton led Rock Island (who later went to State) an exciting game up to the third quarter but somehow they overcame a ten-point lead to go ahead in the final. Taylorville, who also went to State, thought they were going to leave us when they scored a blazing eight points in the first minute of play, but Canton came blazing back and led 25-24 at the end of the first quarter. Unfortunately, Canton forgot to blaze with them again in the third quarter, and they maintained a ten-point lead to win. The season ended fourteen won and nine lost.

Results of each game are as follows:

SOPHOMORE BASKETBALL TEAM

This year freshman and sophomore basketball teams had a very fine year, the sophomores winning 8 and losing 12, the freshmen winning 12 and losing 8.

The sophomores bowed only to some of the stiffest competition in the state, for example, Moline, Decatur, Rock Island, and Paris.

The boys gained much needed game experience and improved a great deal. We at C.H.S. are glad to have these boys back, under the coaching of Frank Whitman and Jack Allen. We are sure that in the years to come these men will mold these boys into a winning varsity team!

And so it stands—dear old Canton High's team of the class of '52 didn't win a football game; but they didn't lose them all either, and in that fact we'll take some consolation.

This record isn't any liability to Coach Allen since this is his first year at Canton. Those who have seen him at work say he's a regular fellow and, it might be added, no dud. He was on the practice field with every bit of time he could squeeze out of daylight, working the boys and showing them as well as telling them "how to do it."

There were only four veteran seniors back this year so the juniors got to see plenty of action. With this experience back of them, and a year back of Coach Allen to get the "ball to rolling" we should see plenty of good football to come.

Lingenfelter, Williams, Jump, Harland, and Bloomfield bow out of the C.H.S. football picture this year and we wish Captain Rolla McMullen and team the best of luck for the coming season.

To say a little about the games, all up to Macomb were rather pitiful, so let them be excluded. The Macomb game was the first in which we showed any signs of football. As a matter of fact, our one touchdown was gained merely through the slip of a referee's whistle, but it was deserved as we out played and out classed the opposition considerably. Galesburg was a rough and tumble, but another disappointment. The best game of the year and real thriller was with Farmington. After running neck and neck all through the game, Canton managed a 20-yard run for a touchdown in the last minute of play but missed the conversion. About half the fans, thinking the game cinched, left and did not find out until the next day that Farmington rallied in the last four seconds of play and scored with a play that works once in a ball game. Canton fans who stayed were given a rather terrifying few seconds while waiting for the conversion to be made but it was missed and the game ended in a tie, 19-19.

Wrestling

For the first time in the history of C.H.S., wrestling has been added to the athletics department. The Canton High grapplers were hampered by inexperience. The team is coached by Glen Harjes and it also is his first season of coaching wrestling. Although the season was far from being successful from the standpoint of wins, the boys gained a great deal of valuable experience and should be a winning team next year.

Baseball - 1951

The Canton Little Giants ended one of its finest years in baseball last spring. Under the watchful eye of Coach Harry Smith the team improved as the season wore on. The team made ample use of one of the finest playing fields in the state. By their hard hitting and speedy base-running they came home with the District Championship. The team had strong pitching. At times their fielding was a bit shady, however. They ended the season with 5 wins and 6 losses. They were beaten in the Sectional Tournament by the State Champions, Pekin. The students of C.H.S. would like to congratulate Coach Smith and the team on a very successful year.

INTRAMURAL PARTICIPANTS

Above are all the boys who participated in Intramural Basketball during this school year.

Intramural Sports

Under the supervision of Mr. William (Bill) Metzger, intramural sports are again a big part of our school program. The fall program started out with flag football which continued until November. Then, in the winter came basketball. Two leagues, the Junior and Senior, make up this program. At the end of the season there was the bus league tournament and a free throwing tournament. As the weather changes, so does the spring program, headed by the Junior Olympics Track Meet sponsored by the local Rotary Club. The intramural sports in C.H.S. is really something to write home about. Second largest program in the state, the credit for the success of this program goes to "Bullet Bill" Metzger, the genial gentleman who presides over the well planned and much enjoyed intramural sports.

Above are the boys who participated in intramural sports other than basketball.

1951 Track Season

The track boys did quite well last year considering lack of material. It seems that the boys who had any gift at all for fleet footedness put their talent to use in baseball, which was quite all right if that is what they like. But track at C.H.S., which at one time had a fairly good reputation for track teams thanks to the efforts of coaches Metzger and Mathis, has definitely been on the decline in recent years. At any rate, the days of Lefebvre, Watson, Coleman, and Pensinger, to mention a few, have not repeated themselves on recent occasions. If the potentials of certain powerful and speedy individuals had been cultivated during the years they have been in high school, Canton wouldn't be far from the top of the list in track. But, unfortunately, it seems that some of these poor disillusioned beings think that there may be a spot in the big leagues awaiting them, so they endeavor in the hopes of practice until that time should come—not a slam at baseball, dear reader, just a plea for moderation in each sport and a better track team; not everybody can play baseball but everybody has been trying to. Wish the best for the new coach, Allen, since he's up against some obstacles, one being lack of material caused by disinterest.

Since information concerning all statistics is limited (last year's coach took them all with him) we'll proceed and conclude with results of meets, all of which were held away from home. Our own track and field has been under re-development for the last three years.

Archery Club

This is a small organization, but nevertheless, an extremely active one. This is its first year under the leadership of Miss Ellis, a C.H.S. alumna. During the year it practices in the fall and spring, weather permitting, and repairs equipment in the winter. This year it sponsored a float in the Homecoming Parade and has "cooked up" several candy sales.

This year the club is under the leadership of Joan Hinkle, President; Sharon Witherell, Vice-President; Marilyn Walsh, Secretary-Treasurer.

G. A. A.

One of the most active girls' organizations in Canton High School is the Girls' Athletic Association, better known as G.A.A. At the present time the total membership is well over one hundred members. It can be easily understood why this organization has such a large membership. Its vigorous and varied program can't help but appeal to every girl who is athletic minded.

In order for this organization to have such a meaningful program it must have capable leadership to produce it. Miss Hoadley, acting as director, aids the G.A.A.'s capable officers: Betty Thompson, President; Marilyn Metzger, Vice-President; Mary Jo Henderson, Secretary; Betty Ann Phillips, Treasurer; and Peggy McLouth, Reporter. Plus the regular officers it has seasonal sports

chairmen who supervise the recreational program. They are Margaret Menne, softball chairman; Jackie Pigg, volleyball chairman; and Charlotte Irons, bowling chairman.

The pledge which is symbolic of G.A.A.'s principles is as follows:

"I promise to uphold the ideals of the Girls' Athletic Association,
To promote interest in athletics and the out of doors;
To live so that I may be healthy and strong,
To make good sportsmanship a constant factor in my conduct."

DOROTHY HOADLEY

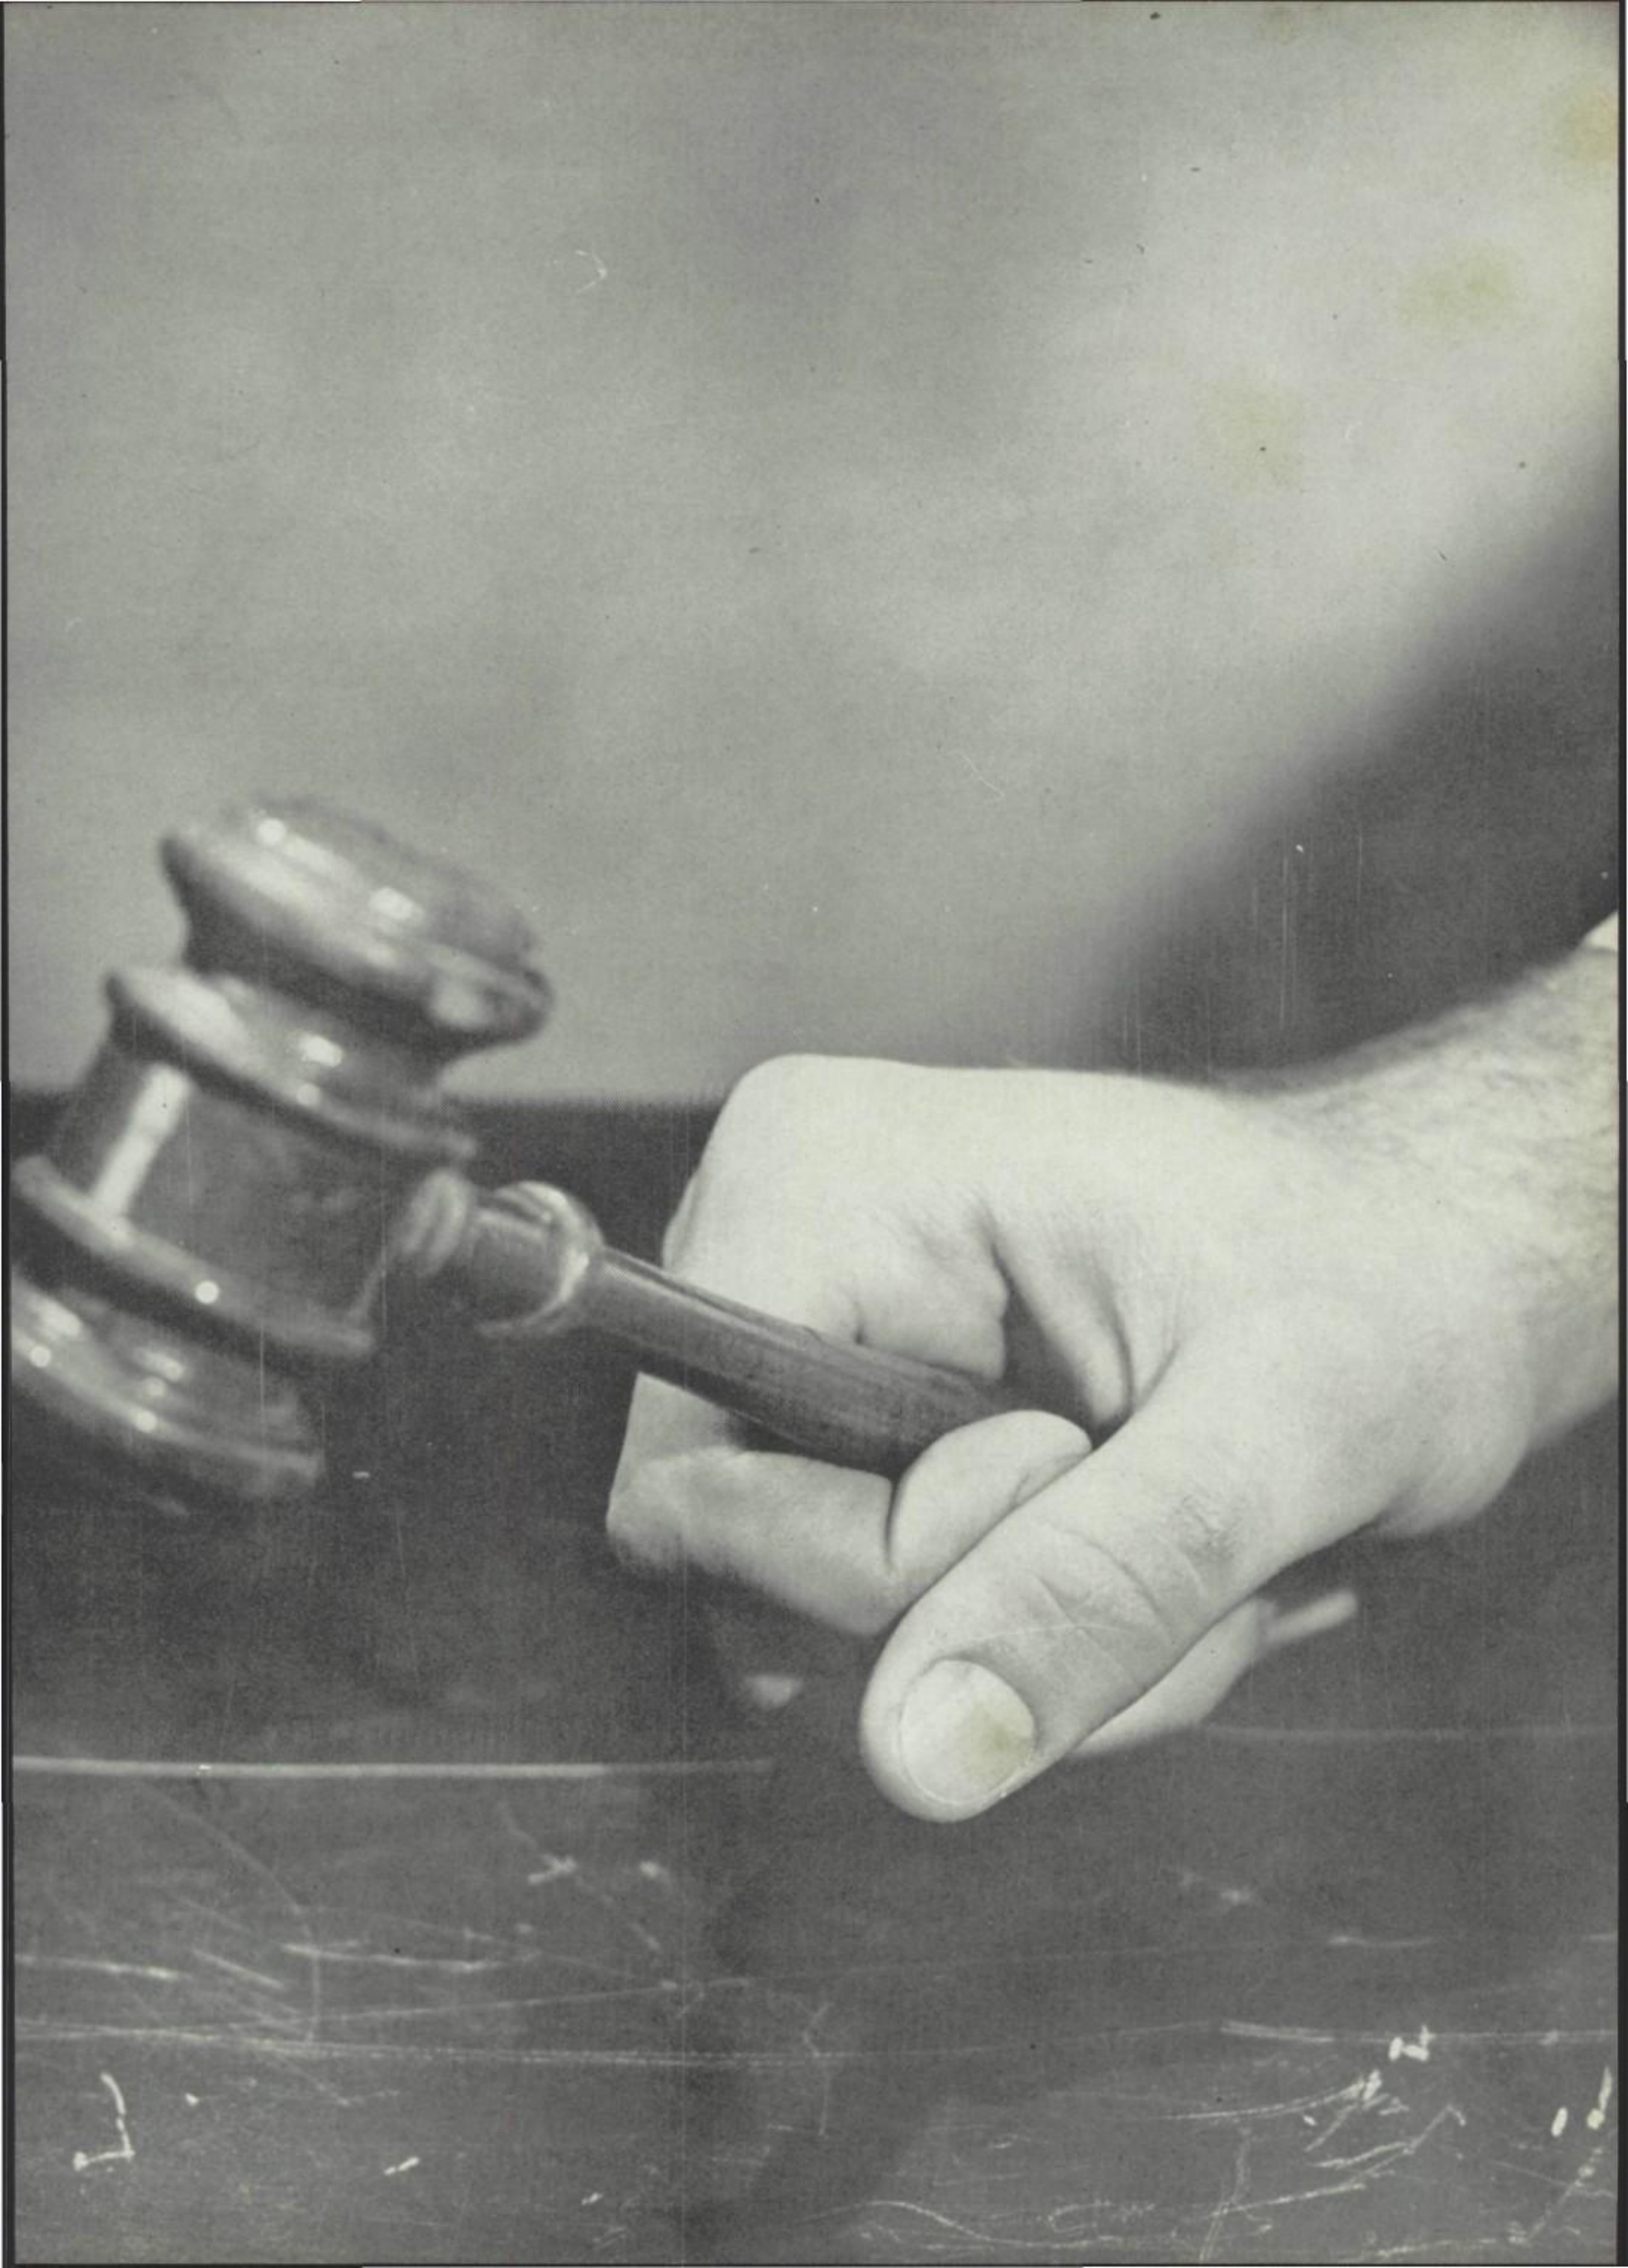

Her untiring efforts to improve physical education for girls at Canton High have endeared her in the hearts of many. G.A.A., one of our leading girls' activities, is under her capable direction, and has progressed considerably because of it!

MARTHA ELLIS

One of the newcomers to our faculty and a former C.H.S. student, Miss Ellis is a welcome addition to our athletic department. She's full of vim, vigor and good ideas and the girls learn much under her able leadership!

Busy folks

MR. KLINGMAN

Ketric Rudolph Waldemar Klingman, affectionately dubbed "Ket" by his friends and colleagues, is that congenial person who does two things equally well: (1) directs the bands and choruses; (2) kids the life out of all and sundry. We all respect him for the former, and love him for the latter. That he makes music worthwhile is attested to by the fact that over five hundred people are enrolled in band and chorus. More power to Mr. Klingman, teacher and friend!

Le Cercle Francais

"Etes—vous toute ici? Bonne! Attencion!" Time for another French meeting.

Most of the meetings this year consisted of colorful luncheons with the aid of the able home economics department. Patriotic holidays were the occasion for many luncheons with special menus to fit the occasion and to acquaint the members with typical French foods.

The outstanding event of the year was the presentation of fine new flags, French and American, by the American Legion Auxiliary. At the same time the charming "Nick" Aloyan, visitor from France, was introduced.

A few strictly informal meetings were conducted to plan the Homecoming float and practice speaking French. All the activities were directed by le presidente, Ruth Johnson, le vice-presidente, David Calhoun, le secretaire-tresoriere, Ann Klingman et Miss Julia Conklin, advisor. Miss Conklin has always been a superb representative of the charm and grace of the French. Her knowledge of the French people and country has brought interesting characteristics and customs into the club. All this has helped toward a fuller understanding of our French friends and a more successful Cercle Francais.

Seated, clockwise: A. Klingman, L. Hill, D. Bolon, E. Carleton, B. Thompson, R. Day, M. Spotser, W. Spainhour, Miss J. Conklin, Advisor, C. Brown, H. Beam, D. Calhoun, A. Carleton, J. La Sociedad Espanola

"Se declara abierta la sesion," is the familiar phrase with which President Norman Brasel opens the Spanish Club's meetings. After "el acta" are read by secretary, Joan Woods, "el informe del tesorero" is given by treasurer, Jerry Whitehead, corresponding secretary, Ann Raster, reads "Una Carta" from the state convention of Pan American Leagues telling that Burton Roeth has been chosen state president. Later a dance, "baile," is planned by vice-president, Sue Meyers and program chairmen, Barbara Denham and Janet Strawn.

La Senora Elizabeth Funderburk is the enthusiastic advisor along with las señoritas Warner and Leslie from the University of Illinois.

"Se declara levantada la sesion" closes the meeting.

Latin Club

The Latin Club is one of the largest organizations in Canton High. The officers of our club are: president, Jon Culton; vice-president, Bob Harland; secretary, Shirley Barker; treasurer, Dick Pschirrer. Mrs. Helen Clark, the Latin teacher, serves in the capacity of advisor.

For the past several years it has been the custom of the Latin Club to take educational trips. This year our members went to the Museum of Science and Industry, and the Museum of Natural History in Chicago.

The Latin Club worked in co-operation with Le Cercle Francais and La Sociedad Espanola on a Homecoming float. The theme "World Languages for World Peace" was appropriately used.

The Latin Club offers students the opportunity to learn more about the Roman customs and language, the basis of our own as well as many other languages.

Camera Club

An important factor of present day education is visual education. But in order to have visual education it is extremely necessary that students be taught to run the projectors needed to show the various educational films.

The Camera Club in Canton High School was formed for this express purpose—to teach students to use the projectors. Letters are given to members who have been in the club at least two years and have learned to operate a projector successfully. Mr. Gentry, acting as supervisor, teaches the operation of the cameras with the help of the club's officers: Harold Meacham, president; Gene Kingery, vice-president; Tessie Calogeris, secretary-treasurer.

Besides its regular activities, it sponsors dances, hayrack rides and other numerous social activities.

Biology Club

Next to religion, science is the most important factor in our present everyday life. Our C.H.S. Biology Club has aided tremendously in stressing this fact to the students. However, if it hadn't been for the late Mrs. Anderson's interest and efforts in science and the Biology Club, none of us would have realized just how important science is.

Canton High has benefited considerably as a result of her efforts. The beautification of our school grounds and the enlargement of our museum stand as a lasting tribute to her and her untiring efforts.

Also, others, outside the community, will remember her for her special recognition won by the biological paper she wrote entitled "The Mammals of Fulton County, Illinois."

Her memory will live with us through the incentive she gave us and for the new awareness of science that she left with us.

The officers of the club who will attempt to put into practice her ideas are: Kline Laird, president; Tom Henseler, vice-president; Leonard Davis, secretary-treasurer; Marilyn Metzger, scrapbook keeper; John Heckard, reporter.

F. F. A.

The Future Farmers of America is one of the most worthwhile organizations in our high school. It is in connection with our Vocational Agriculture class.

The "Ag" boys promote and take part in numerous activities during the year. Among them are initiation of freshmen, the grain and poultry show, trips to Chicago, basketball teams, a father and son banquet, field trips, and entries in the fairs.

Officers for the past year have been: president, Bill Walters; vice-president, Art Reinholtz; secretary, Larry Weaver; treasurer, Don Carrison, reporter, Harold Carrison, advisor, Clarence Stitzel.

Future Homemakers of America

The Future Homemakers of America started another year by electing Angeline Calogeris as president, Corinne Brown as vice-president Tessie Calogeris as secretary, and Anita Morrell as treasurer.

The colors are red and white, which are the colors of the National F.H.A. Their flower is the red rose and the motto for the year is "Toward New Horizons."

The girls, under the guidance of Miss Jean Landess, hold their meetings on the second and fourth Thursdays of each month. Since the meetings are held during the noon hour, each girl brings a sack lunch, and everyone eats together. An interesting program is planned on topics such as posture, pcise, grooming, and manners, which is enjoyed by all.

The girls have a fine organization and would like to invite any girl in C.H.S. who is interested in homemaking to join with them.

Pennant

We, the students of C.H.S., proudly claim our newspaper, the Pennant, to be tops in sports, jokes, gossip and just plain news. One can't find a better staff. This hard-working group, under Mrs. Lillian Hagbom's supervision, publishes a four-page Pennant completely loaded with interest. However, on different occasions such as Christmas and Thanksgiving, more pages are published. The paper's adver-

tising and financial detail are managed by Mrs. Crouch.

By the way, fourteen young ladies compose the splendid Journalism class connected with the staff. They are known as the "Fourteen Bombs" for their unrestrained diligence and spirit.

Three cheers for these gals and the entire Pennant staff.

—Sarah Jane Shepley

The Quill and Scroll

The Quill and Scroll is an honorary journalistic society. Although it is not one of the most active clubs at Canton High, students do consider it an honor to be chosen for membership. Members must be active in Cantonian or Pennant work, and have honor grades.

Mrs. Lillian Hagbom is the advisor and officers for the year are:

National Junior Honor Society

To be chosen for membership in the National Junior Honor Society is one of the highest honors an underclassman can receive. Our Junior Honor Society was founded in 1948 and is a part of a nation-wide organization, recognized by colleges and universities. Members are chosen on high standards of Leadership, Service, Character, Scholarship, and Citizenship. As for scholastic standing, a B average or above is required. In December twenty-seven Sophomores were initiated; in February Freshman initiation was held.

Jerry Lundry very ably served the group as president this year. His assistants were Ann Klingman, vice-president; Gretchen Soldwedel, secretary; Peggy McLouth, treasurer; and Jim Young, emblem bearer. Last but not least, our thanks go to Mrs. Helen Clark who serves the Honor Society as advisor.

—Peggy McLouth

National Honor Society

This year eighteen seniors were members of this honorary club of Canton High. Membership, based on scholarship, citizenship, leadership and service, is a very high honor. Every year the club conducts a very strict and humorous initiation. All day strange "characters" run through the halls and howls of laughter echo in the assembly that evening. This initiation is the humor side but the club's real purpose is to

honor the outstanding people of the class. To meet the requirements of the club is quite a challenge and to be selected as a leader is even more of an honor. This year the group selected able leaders in Ann Raster, president; Barbara Denham, vice-president; Sylvia Kareken, secretary; Helen Scrogum, treasurer; and Wilma Spainhour, emblem bearer.

Candysellers

This year, as for several years, a group of Junior and Senior girls were appointed to sell candy at the basketball games.

Both classes owe gratitude to these girls as this selling project is one of the chief income sources for the upper classes. Sincere thanks also go to Gene Kingery and Bill Rusnak for their capable handling of the lobby stands.

This year candy, ice cream, and pop were sold during the regular season and tournament play. Profits showed a successful season and the Junior and Senior classes are putting the well-earned funds to good use.

"Lost Horizon"

Presenting a new type of play this year, the Junior class was most successful in their interpretation of the classic "Lost Horizon."

Exceptionally spectacular scenery and near professional lighting effects added greatly to the success of this drama.

Miss Daisy Coty, director, had her performers keyed to near perfection.

Miss Karolyn Woodcock and David Chambers were cast in the leading roles. However, Gerald Barnett, in his portrayal of the High Lama, gave an outstanding and memorable performance. We sincerely feel that Miss Coty, the cast, and Mr. Coats, who perfected the lighting, deserve much credit. We hope that their performances will inspire others to attempt a play as difficult but rewarding as "Lost Horizon"!

1951 Prom

Soft lights, romantic music, and gay rainbow colors. This, our 1951 Prom, was so beautiful it could almost have been a dream. Class president John Ellison and his lovely Prom Queen, Martha Coultas, made a charming picture as the first couple to glide down the winding path and pass beneath the multi-colored rainbow. One by one the other couples followed. Then, to the strains of "Over the Rainbow," everyone was lightly dancing on imaginary pink clouds far, far from the earth in a wonderful world of their own. All too soon the evening ended and the dancers came down to earth.

Our 1951 Prom was an occasion to be long remembered and our sincere thanks go out to everyone who helped make it a success.

The Hop - 1951

Soft lights, sweet music, and an unforgettable atmosphere—these were symbolic of the Senior-Junior Hop of 1951. The Hop was held November 23, in the Elks Club Ballroom. With the juniors as their guests, the seniors went "all out" to give them a night they would long treasure when recalling precious memories of high school. Al Wargo's orchestra provided the "finishing touch" in creating the musical atmosphere necessary to make a perfect evening.

As the long-awaited evening drew to a close, we seniors realized that we could not return to this unforgettable dance again next year and became a bit sad. An instant later, however, we realized that we could cherish the vivid and fond memories—always.

Committees responsible for the success of this occasion were headed by chairmen: Ann Raster, Orchestra; "Barb" Denham, Invitation; Bill Rusnak, Refreshment; and Janet Hammond, Decoration.

And our "hats are off" to the chaperones who willingly gave their time to see that our good time was possible. Thank you: Mr. and Mrs. Willard Larson, Miss Conny Harrison, Mrs. Helen Jenkins, Mr. and Mrs. Frank Whitman, Mr. and Mrs. Jack Allen, Mr. and Mrs. C. B. Rowen, Mr. and Mrs. Herman Raster.

Seated: Homecoming King, "Jerry" Lingenfelter; Homecoming Queen, Janet Patterson.

Homecoming - 1951

As the sun shone down on Canton High that beautiful autumn day, there was an atmosphere that could not be mistaken! Yes, it was Friday, October 26, and Homecoming. There was much excitement as the floats began to take shape, and everyone wondered who the royalty would be.

Festivities actually started on Thursday night with a bonfire, "pep" session, and an outdoor dance at the Athletic Field.

On Friday afternoon, there was a well-planned and very amusing assembly. At last—the time was here! It was then announced that lovely Janet Patterson and well-liked Jerry Lingenfelter would reign over the remainder of the activities. Their attendants were: Juniors, Donna Dabney and Norman Brasil; Sophomores, Andrena Susich and Bob Kuchan; and Freshmen, Mary Kay Rose and Jack Pollitt.

The Homecoming parade got under way at 4:30, with its many outstanding and clever floats, its original cars, and the visiting Macomb band. The first prize float belonged to Roll Room No. 13, while the first place car, in the form of "Victory Bells," belonged to senior, Joan Bell.

"It's a beautiful night for a football game," was one of the chief comments heard as a capacity crowd saw the Little Giants finish in a 6-6 tie with the Macomb Bombers.

Finally came the dance, and Bob Barron's orchestra provided very danceable music. Old friends met again and it was a real thrill to see all the "alums" around! And then it was time for the coronation—that long awaited event. As Janet and Jerry were crowned the official Queen and King of the 1951 Homecoming, everyone realized the festivities were drawing to a close. At the same time everyone realized that this had been a superior Homecoming in every way, and one that would long be remembered by all!

We must not forget the people and the hard work "behind the scenes" that went to make the 1951 Homecoming what it was.

The sincerest thanks of alumni, faculty, and the entire student body go to: Miss Anders, Mrs. Jenkins, Mr. Ziegler, Mr. Medus, of the faculty; Bill Rusnak and Ron Davis who served as committee chairmen; Ann Raster, "Ginny" Owings, "Bobbie" Tyldesly, Judy Carmack, Stein Williams, Ron Kareken, Sue Izard, Gretchen Soldwedel, Dick Pschirrer, Jerry Lundry, Judy Churchill, Pat Toll and Ted Ellis, committee members. Miss Coty and the dramatics department also deserve recognition for the assembly that helped to make our 1951 Homecoming memorable!

Left to right: S. Kareken, S. Terpening, J. Hinkle, C. Irons, J. Collins, M. L. Morso, A. Calogeris, G. Kingery, M. Coultas, B. Shumaker, P. McClure, D. Vandermeer, J. Zuercher, E. Vaughan, B. Milhorne.

Drama Club

The Drama Club is one of the most beneficial clubs in Canton High School. Among the many objectives fulfilled during the year were developing the individual, his cultural interest, his social relations, the teaching of tolerance, co-operation and good citizenship. In addition, through the supervision of the advisor, Miss Daisy M. Coty, dramatic talents and interests were enlarged.

The Homecoming assembly program, performing for the Woman's Club, Junior Woman's Club, and the Canton Woman's Club with readings and one-act plays have been projects of the club in the past year. Radio station WBYS was extremely co-operative with the students; several interesting and informative programs were presented over the air.

The officers for the year are as follows: president, Evelyn Vaughn; vice-president, Mary Lou Morse; secretary, Sylvia Kareken; treasurer, Jean Zuercher.

The Librarian's Club

The Library is one of the most important rooms in the school. Everyone can go there and study without being disturbed. Of course the Library has to have someone to show students where they can find information they want.

The officers of this group are:

President	Angeline Calogeris
Vice-President	Janet Kovachevich
Secretary	Shirley Barker
Treasurer	Roberta Lou Ash
Advisor	Miss Ruth Cagley

This group has worked hard this year. They have had parties and other enjoyable times; also they entered a float in the Homecoming parade.

We all want to thank this group for doing such a good job. Hats off to the Library, our faculty advisor, Miss Cagley, and the Student Librarians.

Canton High School
May, 1952

Dear Freshman,

As my graduation day draws near, I begin to look back—and remember. I am writing this letter to tell you of the highlights of my four unforgettable years at Canton High!

It all began on that day in 1948 when I "bounced" out of bed and greenly said, "Today, I am a freshman!"

My spirits were not dampened, even though the rain came down in torrents. Gee, but this building seemed huge, and you ask, "Did I get lost?" Well, only four times.

But as the weeks went by I became accustomed to the people and the place. I soon felt quite at home and now I shall never forget that wonderful freshman year.

And then I was a sophisticated (?) sophomore. As soon as I was assigned to my first rollroom, my enthusiasm for the class election began to mount. At last the results were announced: John Ellison, president; Ann Raster, vice-president; Nancy Jackson, secretary; and Allan Conner, treasurer.

It was a real thrill to sit in the second row of the choruses, and I also had a lot of fun at our class party on April 20th.

I went to the Prom that year—but only to watch! However, from that night on, my enthusiasm for the Junior-Senior Prom began to grow.

I hated to see the class of '50 graduate and felt sure C.H.S. would never be the same.

It all began on that day in 1950 when I "bounced" out of bed and confidently said, "Today, I am an upperclassman." Thus my most wonderful year at Canton High commenced.

It was during this year that I chose my class ring, of which I'm still very proud. At last I saw the class industriously earning money for that glorious event that was soon to come. I mean, of course, our Junior-Senior Prom, which is still vivid in the minds of all.

All too soon my carefree days were over and I knew that in the fall, I would have to accept the responsibilities that went with being a senior.

Homework! Term papers! Yearbook—these are typical of a senior year.

It seemed like only a short time after school started until I ordered my announcement and name cards. Yes, I was constantly reminded that graduation day was almost here.

I saw the members of the class preparing for our Hop which was held November 23.

Then came the Prom which was given in honor of our class. It was a tremendous success, but a rather sad occasion for all seniors.

In closing, dear Freshman, I have but one small bit of advice. Enjoy yourself, but get out of high school as much as you can. These have been four memorable years and I truly hate to leave.

Enviously,
A Senior.
